

## TRACK BELTS FOR SNOW GROOMERS

PROVEN PERFORMANCE, INNOVATIVE AND RELIABLE

Building on our extensive polymer experience in mountain application and conveyor belts production, Semperit has developed high-quality track belts for snow vehicles, tested and approved in top ski resorts worldwide.

Our track belts offer exceptional durability, superior traction, and easy installation, ensuring reliable performance in extreme conditions. With our in house mixing facilities and a reliable supplier network, we guarantee consistent stock availability.

Continuous improvement through our dedicated R&D department, in collaboration with partners, keeps our track belts at the innovative forefront. Additionally, we offer a sustainable product option, making Semperit a trusted choice for snow grooming professionals.

## PRODUCT HIGHLIGHTS

**Extensive years of experience and expertise** - in liners for cable cars and conveyor belt production

**Proven reliable performance** - Tested and used in ski resorts globally, meeting global standards

**Supply security and stock availability** - strong supplier network and in house mixing department

**High reliability and durability**

**Continuous innovation** - In house R&D, constant product innovation in collaboration with industry partners

**Sustainable trackbelt option** - content of recycled and bio-based raw materials

## TECHNICAL DATA

Compatibility	For all types of snow groomers
Durability	Reinforced with 3 layers fabric
Thickness	From 10 mm up to 15 mm
Width	From 105 mm up to 220 mm
Breaking Strength	From 1500 N/mm up to 2000 N/mm
Availability	Roll or Single length
